**RESPONSE OF UNITED STATES POSTAL SERVICE WITNESS BOLDT
TO NAPUS INTERROGATORY**

Revised: September 8, 2011

NAPUS/USPS-T1-14

Please refer to USPS-T-1, page 2, line 18. How many “non-personnel units” exist? Does the USPS calculate revenue for these units? If so, how and please provide the revenue and expense data per location?

RESPONSE

Almost all of the nearly 30 non-personnel units (NPU) consist of PO Office Box units. At many of these, rural carriers conduct retail transactions during designated periods each day at NPUs on their routes. None has revenue generating sales equipment such as APCs. Any NPU revenue is included in that which is reported for the postal facility from which the carrier operates.
